Recall Date	Recall Number	Company	Product	Estimated Recall Quantity	Hazard	Description	Sold At	Date Sold	Recall Phone Number
August 30, 2007	07-299	Toys R Us	Imaginarium Wooden Coloring Cases	27,000	The printed ink on the outer packaging of the wood case contains lead. Also, some of the black watercolor paint contains excessive levels of lead, which violates the federal lead paint standard.	The recall involves the Imaginarium brand 213 Piece Wooden Coloring Case which includes crayons, pastels, colored pencils, fiber pens, paintbrush, pencil, water colors, palette, white paint, ruler and pencil sharpener in a light tan wooden carrying case. The case measures about 14 inches high by 19 inches wide.	Toys R Us	Oct 2006-Aug 2007	800-869-7787
August 30, 2007	07-296	Aloha Housewares	Aloha Breeze Portable Electric Heaters	281,000	The heater can overheat, posing a fire hazard.	The recalled electric heaters are white-colored with the name "Aloha Breeze" printed on the front. The recall includes model number 05226 with date codes of 07/05, 08/05 and 11/05. The model number and date code are printed on the silver label located on the bottom of the heater.	Wal-Mart	July 2005-July 2007	800-295-4448
August 29, 2007	07-294	Paramount Apparel International Inc.	Toddler and Youth Nylon Bucket Hats	500	The hat has a drawstring, posing a strangulation hazard to young children.	The hat is a nylon bucket-shaped hat with mesh sides. There are nylon fabric strips on the side of the hat that snap up. The front of the hat has a zipper pocket with a silver boat-anchor appliqué with embroidered text below. The hat adjusts with a bungee drawstring sewn in the crown of the hat. A label sewn into the back inside of the hat reads "Bass Pro Shops."	Bass Pro Shops	February 2007 - June 2007	800-255-4287
August 28, 2007	07-290	Jo-Ann Stores	Robbie Ducky Kids Watering Cans	6,000	The beak of the watering can contains lead in the paint, which violates the federal law prohibiting lead paint on children's toys. Lead is toxic if ingested by young children and can cause adverse health effects.	The recalled Robbie Ducky(tm) Kids Watering Can is yellow with an orange beak and is about 10 inches high by 6 inches wide. "Robbie Ducky(tm) Garden Collection Duck Watering Can" is printed on a sticker on the bottom of the watering can.	Jo-Ann Fabric & Crafter Stores	February 2007 - August 2007	888-739-4120
August 23, 2007	07-286	Stokke	Sleepi Crib Foam Mattresses	1,000	The crib mattresses are not properly sized, creating a gap, posing an entrapment hazard to young children.	Only oval shaped Sleepi cribs with foam mattresses sold under the following model numbers are the subject of this recall: 660321, 660320, 660301, 660305, 660318, 652268, 652269, 652246, 652247 and 652248. The cribs were sold in a variety of colors, including white, walnut, natural, cherry and whitewash. The model number can be found on the packaging and underside of the crib.	Various Retailers	September 2006 - March 2007	888-978-6553
August 23, 2007	07-285	St. Martin's Press	Priddy "Trucks" Shaker Teether Books	35,000	Small pieces of the teether can break off, posing a choking hazard to young children.	The recalled cloth teether book entitled "trucks" has a yellow dump truck on the front cover on a blue background. Attached to the top of the book is a yellow rattle with a green teether attached on the right side of the rattle and an orange teether attached to the left side of the rattle.	Barnes & Noble and other bookstores	June 2006 - June 2007	800-347-9411

August 23, 2007	07-284	Millenium Apparel Group	Basic Editions-brand Girls' Clothing Sets	4,700	The recalled shirts have drawstrings at the waist. Children can get entangled or caught in a vehicle door and can be dragged, posing a serious risk of injury or death. In February 1996, CPSC issued guidelines to help prevent children from strangling or getting entangled on the neck and waist by drawstrings in upper garments.	The two Basic Edition-brand girls' sets have fully tunneled waist drawstrings and two-fer style layered shirts. One set has a light green screen print top with "Varsity Club Winning Attitude" text, over a white shirt, paired with turquoise cuff shorts. The second set has an orange screen print top with "Paradise University Girls Club" text, over a white shirt paired with light green knit shorts. Both sets were sold in the following girls' sizes: 4/5, 6/6X, 7/8, and 10/12.	Kmart Stores	March 2007 - May 2007	800-659-7062
August 22, 2007	07-283	Martin Designs	Sponge Bob SquarePants	250,000	The paint on the metal spiral bindings of the address books and journals can contain excessive levels of lead, which violates the federal lead paint ban. Lead is toxic if ingested by young children and can cause adverse health effects.	The recall involves address books and journals with SpongeBob SquarePants(tm) character on the front cover and a black metal spiral binding. The UPC numbers (80773007505 for the address book and 80773002260 for the journal) are printed on the back covers.	Various stores	June 2006 - July 2007	303-898-0261
August 22, 2007	07-282	Schylling Associates	Spinning Tops & Tin Pails	4,700	Surface paints on the wooden handles of the tops and pails contain excessive levels of lead, which violates the federal lead paint standard. Lead is toxic if ingested by young children and can cause adverse health effects.	The recalled tops and pails are primarily metal and have wooden handles. The tops are painted with Thomas and Friends, Curious George, or a circus scene. The pails are painted with Thomas and Friends, Curious George, or in a solid red or yellow color. Tops with plastic handles are not included in this recall.	Various Stores	Juny 2001 - July 2002	800-767-8697
August 22, 2007	07-281	Buy Right Systems	Children's Charm Bracelets	7,900	The recalled jewelry contains high levels of lead.	The recalled charm bracelets have silver-colored charms, including angels, crosses, and hearts, and clear and pink beads that hang from a silver-colored chain.	Dollar Stores	March 2004- August 2007	888-777-7952
August 22, 2007	07-280	TOBY NYC	Children's Metal Jewelry	14,000	The recalled metal jewelry sets contain high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	The three recalled jewelry sets include: a princess pink and clear crystal bead necklace and bracelet set with a painted metallic crown pendant; a pink and white pearl necklace and bracelet set with a painted metallic poodle pendant; and a pink pearl necklace, earrings and ring set. All sets are sold in a pink gift box with "TOBY & ME" printed on the front and "TOBY & ME" hangtags attached to the packaging.	TJ Maxx, Marshalls, & A.J. Wright	August 2006 - May 2007	866-235-0588
August 14, 2007	07-271	Mattel	Barbie and Tanner play sets	683,000	A small magnet inside the "scooper" accessory can come loose. Magnets found by young children can be swallowed or aspirated. If more than one magnet is swallowed, the magnets can attract each other and cause intestinal perforation or blockage, which can be fatal.	The recall involves Barbie and Tanner(tm) play sets -- model numbers J9472 and J9560. The toys include a "scooper" accessory with a magnetic end. Recalled scoopers have a visible, silver-colored, disc-shaped magnet on the end of the scooper. Scoopers with a white material covering the magnet and products manufactured after January 31, 2007 are not recalled.	Various Stores	May 2006 - August 2007	888-597-6597

August 14, 2007	07-270	Mattel	Sarge Die Cast Toys		Surface paints on the toys could contain lead levels in excess of federal standards. Lead is toxic if ingested by young children and can cause adverse health effects.	The recall involves die cast "Sarge" 2 1/2 inch toy cars. The toy looks like a military jeep and measures about 2 1/2 inches long by 1 inch high by 1 inch wide. The recalled toy has the markings "7EA" and "China" on the bottom. The "Sarge" toy car is sold alone or in a package of two, and may have the product number M1253 (for single cars) and K5925 (for cars sold as a set) printed on the packaging. The cars marked "Thailand" are not included in this recall.	Various Stores	May 2007 - August 2007	800-916-4997
August 14, 2007	07-269	Mattel	Batman and One Piect Magnetic Action Figure Stes	345,000	Small, powerful magnets inside the accessories of the toy figures can fall out and be swallowed or aspirated by young children. If more than one magnet is swallowed, they can attract inside the body and cause intestinal perforation, infection or blockage which can be fatal.	The firm is aware of 21 incidents where a magnet fell out of the toy figure, including a case of a 3-year-old boy who was found with a magnet in his mouth. The boy did not swallow the magnet and no injuries have been reported to Mattel and CPSC.	Various Stores	June 2006 - June 2007	888-597-6597
August 9, 2007	07-267	Toshiba	Various Laptops	1,400	The lithium-ion batteries can overheat, posing a fire hazard to consumers.	The recalled lithium-ion batteries were sold with, or sold separately to be used with the following notebook computer models: Satellite A100, Satellite A105 and Tecra A7. The battery model is printed on the battery.	Various Places	January 2006 - April 2006	800-457-7777
August 3, 2007	07-261	The Orvis Company	Stuffed Plush Horse/Pillows and Fairy Dolls	220 Horses and 1,300 Fairy Dolls	The plastic button eyes on the stuffed horse and the pompom nose on the fairy doll toy can easily detach, posing a small parts choking hazard to young children.	Stuffed Horse: The plush brown horse/pillow was sold as an accessory with the purchase of a Horse Animal Sleeping Bag. The horse pillow has outstretched fore and back legs, a bushy black mane and tail and attaches to the sleeping bag with a hook/loop attachment on the belly of the horse. Stuffed horses with eyes directly embroidered on the plush fabric are not included in the recall.  Fairy Doll: The Fairy Doll toy was sold as an accessory with the purchase of a Unicorn Animal Sleeping Bag. The stuffed fairy doll has a sewn-on pompom nose, a pink satin dress with glitter netting as a ruffled collar, sleeves and dress apron. The doll attaches to the sleeping bag with a hook/loop attachment on the bag and between the doll's wings. The fairy doll is one of three toys that attach to the sleeping bag. Also included are a large unicorn pillow and small flat unicorn. The unicorn attachments are not included in the recall.	The Orvis Company mail-order catalogue and the firm's Web site	September 2006 - December 2006	866-531-6199

August 3, 2007	07-262	Springs Window Fashions LLC.	Basic Blindz Window Blinds	140,000	The window blinds have a pull cord that is looped, posing a strangulation hazard to young children.	This recall involves two inch Natural Faux Wood Plantation Blinds sold under the Basic BlindzR brand. The blinds have a yellow steel top rail, also called the head rail, a cord tilter on the left side (to tilt the slats open or closed), and a double pull cord that meets at a cord connector and ends in a single cord on the right side (to raise and lower the blinds). Stickers inside the top rail state: "Springs Window Fashion LLC, Middleton, WI 53562." "Made in China," and "Manufacturing Date Code." Blinds with manufacturing date codes JX, JY, JZ, KO, KP, KQ, KR, KS, and KT are included in the recall.	Lowe's stores	March 2007- July 2007	866-305-8652
July 26, 2007	07-254	Various Companies	Pacifiers	1,000	These pacifiers fail to meet federal safety standards for pacifiers. The pacifiers' crystals can separate easily, posing an aspiration and ingestion hazard to young children.	The recall involves pacifiers that were purchased from stores, decorated with Swarovski crystals, then resold to consumers. The crystals were glued on the pacifier's handle and guard. They come in different colors and designs. The list below lists additional information about the products sold.	Various Retailers	July 2006 - March 2007	800-638-2772
July 26, 2007	07-251	Sauder Woodworking	TV Stand, Model #400205	414,000	The TV stand can collapse if the fasteners used to connect the metal legs to the lower shelf are not completely tightened during assembly, posing a risk that the TV set can fall onto children or adults.	The recalled TV Stand measures 23 ¼ inches (h) x 38 ½ inches (w) x 19 ½ inches (d) with a brushed maple finish. The stand has criss-cross, black, wrought-iron legs, a pull-out drawer, and a lower shelf. Model number 400205 and UPC number 42666 01958 are located on the product's carton and instructions.	Wal-Mart	January 2007 - May 2007	866-278-8312
July 24, 2007	07-252	Pottery Barn	Matelasse Crib Bumpers	31,000	The decorative stitching on the bumper's edge can come loose, posing an entanglement hazard to young children.	This recall involves the Diamond Matelassé, Floral Matelassé and Polka Dot Matelassé crib bumpers made of 100% cotton. The Diamond Matelassé bumpers are white and have decorative thread in pink, blue, green, yellow or chocolate stitched along the scalloped edge. The Polka Dot and Floral bumpers come in assorted colors with matching decorative stitching. A label on the bumper reads "pottery barn kids".	Pottery Barn	February 2003 - June 2007	877-800-9720
July 19, 2007	07-246	CVS Pharmacy	Playskool Toddler "NoSpill" Sippy Cups	84,000	Young children can chew through the plastic spout of the sippy cup, which can pose a choking hazard.	This recall involves the Playskool Toddler "NoSpill" Sippy Cup. The 8-ounce cup is clear plastic with red trim, red and yellow handles, and a yellow tip; blue trim, blue and green handles and a green tip; or purple trim, purple and aqua handles, and an aqua tip. The serial number of the recalled cups is 382814, which appears on the back of the packaging.	CVS Pharmacy	September 2006 - March 2007	866-434-0098

July 19, 2007	07-245	Hasbro	Easy-Bake Ovens	1,000,000	Young children can insert their hands into the oven's front opening, and get their hands or fingers caught, posing entrapment and burn hazards.	The Easy-Bake Oven is a purple and pink plastic oven that resembles a kitchen range with four burners on top and a front-loading oven. "Easy Bake" is printed on the front of the oven. Model number	Various Companies	May 2006 - July 2007	800-601-8418
July 18, 2007	07-239	Toy Century Industrial	Soldier Bear Toy Sets	13,000	Surface paints on the toy action figures, dinosaurs and animals contain high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	This recall involves toy sets with various action figures, dinosaurs, animals and vehicles. The style number, Universal Product Code and Soldier Bear logo are printed on the product's packaging.	Various Companies	August 2005 - April 2007	800-866-3605
July 17, 2007	07-236	Payless ShoeSource	Toddler Clog Shoes	1,000,000	Plastic rivets used to attach the strap to the shoe can detach, posing a choking hazard to young children.	This recall involves the following character-themed clog styles: Dora the Explorer, Spongebob Squarepants, Hello Kitty, Coasters(r) Lighted Car Compel, and Cambridge Mary-Jane. The shoes were sold in toddler sizes 5 through 10. The flexible shoes have air ventilation holes on the top and/or side, and plastic rivets attached to the strap. Shoe sizes are printed on the sole of the shoe. No other sizes, styles or models are included in the recall.	Payless ShoeSource	January 2006 - June 2007	800-654-0697
July 17, 2007	07-241	Uncas Manufacturing	Sleeping Beauty Crown and Cinderella Star Earring Sets	220	The recalled metal earring sets contain high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	This recall involves the Sleeping Beauty Crown and the Cinderella Star Earring sets. The Sleeping Beauty Crown set contains two pairs of earrings; one pair is shaped as pink crowns and the other pair is shaped as the Sleeping Beauty character. The Cinderella Star Earring set contains two pairs of earrings; one pair is shaped as blue stars and the other one is shaped as the Cinderella character. The packaging is shaped as a pink heart and "The Wonderful World of Disney" is printed in the front.	Wal-Mart	February 2007 - June 2007	800-776-0980
July 5, 2007	07-231	Kpp Brothers	Mag Stix Magnetic Building Sets	800	Small magnets inside the plastic sticks can fall out. Magnets found by young children can be swallowed or aspirated. If more than one magnet is swallowed, the magnets can attract each other and cause intestinal perforation or blockage, which can be fatal.	The recalled Mag Stix sets contain 24 pieces including twelve 1-inch sticks, four 2.25-inch sticks, and eight metal balls. The sticks are yellow, green, blue and rust-colored. "Item No. 40330 Made in China" and UPC number 7 7704 40330 1 are printed on the packaging.	Kipp Brothers	September 2005 - March 2006	800-428-1153
July 5, 2007	07-232	Future Industries	Essentials for Kids Jewelry Sets	20,000	The recalled metal jewelry sets contain high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	The recalled jewelry sets include a necklace, bracelet and pair of earrings made of green, blue or pink plastic beads. The necklaces have painted metallic pendants in the shape of shoes, girls, blackboards with "ABCD," or school buses. The other recalled jewelry sets include a necklace and seven pendants, one for each day of the week. The pendants are shaped as sandals, purses or butterflies. "Essentials for Kids" is printed on the packaging.	Various Retailers	August 2005 - April 2007	800-929-0006

July 3, 2007	07-230	Infantino	Shape Sorting Toy Castles	68,000	The plastic rod can come loose allowing the colored counting beads to slide off of the toy, posing a choking hazard to young children.	The recalled toy castles have counting beads, four play figures and several different shapes and letters that fit into holes in the castle. "infantino(r)" is printed in the lower right-hand corner of the side with the letters. The recall only includes castles with the following date codes: 5349, 6087, 6132 and 0906. Castles with other date codes, no date code or with a plastic rod attached with a metal screw are not included in this recall. The date code is stamped on the underside of the blue top and can be viewed through the top square shape or top "A" letter openings.	Various Retailers	January 2006 - May 2007	888-808-3111
June 29, 2007	07-228	BSH Home Appliances Corp	Thermador(r) Brand Built-In ovens	42,000	The oven can have gaps in the insulation where overheating can occur and when used in the self-cleaning mode it can cause nearby cabinets to overheat. This can pose a fire hazard to consumers.	This recall involves Thermador(r) Brand built-in single ovens and combination models which have a conventional oven and a microwave. The model numbers of the single ovens are C271B, C301B, SEC271B and SEC301B. The model numbers of the combination models are SEM272B, SEM302B, SEMW272B and SEMW302B. The ovens have date codes between FD8403 and FD8701. The model number and date code can be found on the underside of the control panel.	Appliance and specialty stores nationwide.	November 2004 - May 2007	800-701-5230
June 28, 2007	07-226	Play Wonder	Play Wonder Toy Barbeque grills	2,300	The circular ash tray attached to the stainless steel legs of the grill could contain sharp edges, posing a laceration hazard.	Description: This recall involves the Play Wonder Barbeque Grill. The grill is metal and has an orange metal base and top, along with stainless steel legs and a removable circular ash tray. The grill set also includes tongs and a spatula. The "Play Wonder" logo is located on the lower right corner of the packaging.	Target Stores nationwide	December 2006 - February 2007	800-440-0680
June 28, 2007	07-227	Lasko Products Inc.	Lasko Ceramic Heaters	1.2 million	The heater's cord can overheat where it enters the base of the unit, which could pose a fire hazard to consumers.	This recall involves Lasko ceramic heaters manufactured in 2005. Model numbers included in the recall are: 5132, 5345, 5362, 5364, 5420, 5532, 5534 and 5566. Model numbers are located on the bottom of the unit or at the rear of the base of the heaters.	Major retailers, home centers and discount department stores nationwide	September 2005 - April 2006	800-984-3311
June 19, 2007	07-218	GeoCentral	Butterfly Necklaces	19,000	The metal clasp on the necklace contains high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	The recalled necklaces consist of a multi-colored butterfly pendant on a multi-colored seed bead 16-inch necklace. The product's packaging includes a white hang card with "GeoJewelry" printed on the front underneath "GeoCentral."	Souvenir and gift stores nationwide	May 2006 - July 2007	800-231-6083

June 14, 2007	07-214	Nordstrom Inc.	Calypso Sandals	1,800	The jewel decorations on the shoes can detach, posing a choking hazard to young children.	This recall involves Nordstrom brand sandals sold in toddler and little girl's sizes. The Calypso-style shoes are tan and white with gold straps that have three jeweled flowers on the top. "Nordstrom" and a flower pattern are embossed on the upper sole of the shoes. Toddler sizes were sold with an ankle strap.	Nordstrom stores nationwide and on Nordstrom.com	February 2007	888-282-6060
June 14, 2007	07-215	Nordstrom Inc.	Pine Peak Blues Children's Jackets	1,900	The zipper pull can detach from the jacket's zipper, posing a choking hazard to young children.	The recalled jackets were sold in infant, toddler and youth sizes. They are navy-colored and long-sleeved. They have a zipper-front with the flag of England embroidered on the left shoulder and an "England" patch on the left chest. There are two zipper front pockets in addition to the zipper front. "Pine Peak Blues" is printed on a label inside the jacket.	Nordstrom stores	November 2006 - April 2007	800-933-3365
June 13, 2007	07-212	RC2 Corp.	Various Thomas & Friends™ Wooden Railway To	1.5 million	Surface paints on the recalled products contain lead. Lead is toxic if ingested by young children and can cause adverse health effects.	The recall involves wooden vehicles, buildings and other train set components for young children listed in the chart below. The front of the packaging has the logo "Thomas & Friends Wooden Railway" on the upper left-hand corner. A manufacturing code may be located on the bottom of the product or inside the battery cover. Toys marked with codes containing "WJ" or "AZ" are not included in this recall.	Toy stores and various retailers nationwide	January 2005 - June 2007	866-725-4407
June 7, 2007	07-208	Creative Expressions	Children's Party Hats	43,100	Foil fringe glued to the bottom edge of the party hats can detach, posing a choking hazard to young children.	The paper party hats involved in this recall measure 6.5-inches high by 4.5-inches wide and are cone shaped. The blue paper hats have "1st" printed on the front and blue foil fringe glued to the bottom.	Party and discount department stores nationwide	February 2005 - May 2007	800-428-5017
June 6, 2007	07-205	Simplicity Inc.	Nursery-in-a-Box Cribs	40,000	The assembly instructions provided with the cribs incorrectly instruct consumers how to attach the crib's drop side. If improperly installed, the drop side can disengage from the crib, posing fall and entrapment hazards for the child. Additionally, the metal locking pins on the drop side can pop off, presenting a choking hazard.	The recalled cribs are part of the Nursery-in-a-Box furniture set which also includes a changing table and clothing organizer. The cribs are cherry, white or natural in color. Only model numbers 8910 and 8050 with serial numbers 3005 HY through 0806 HY are included in this recall. The model and serial numbers are printed on an envelope permanently attached to the mattress support. "Simplicity," model and serial numbers are also printed on a label on the bottom rail of the headboard.	Department stores and children's product stores	August 2005 - May 2007	800-784-1982

May 31, 2007	07-199	Song Lin Industrial Inc.	Sleigh Round Cribs	180	The assembly instructions included with the crib direct consumers to assemble the crib with the mattress support in the highest position and do not indicate that the mattress support can be moved to a lower position. This poses a fall hazard to children who are able to sit or stand up in the crib.	The Sleigh Round Crib, model #2005, measures approximately 42 inches in diameter, is made of solid wood and comes in a mahogany finish. The crib has four posts that are 31 inches in height and a portion of the side of the crib can be raised and lowered.	Children's furniture stores nationwide	January 2005 - March 2007	888-589-0088
May 31, 2007	07-202	Tween Brands Inc.	Children's Metal Jewelry		The jewelry contains high levels of lead which can cause adverse health effects and is toxic if ingested by young children.	Some of the recalled necklaces, bracelets, earrings, and charms are metallic, multi-colored, and have "High School Musical" or pictures of "High School Musical" actors printed on them. Others have frogs, hearts, stars, dogs with dog bones, flowers, and monkeys that hang from silver, black or brown chains or cords.	Limited Too and Justice retail stores nationwide,	September 2005 - May 2007	800-934-4497
May 30, 2007	07-196	The Boyds Collection Ltd.	Eli's Small Drums and Liberty's Large Drums	4,500	The red paint on the drums contains high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	The recalled decorative toy drums are made of wood and come with two wooden drum sticks. The sides of the drums are painted blue with white stars and the tops and bottoms feature an antique U.S. flag decoration. The Eli's Small Drum measures 4 ¾ inches in diameter and 3 ½ inches tall. The Liberty's Large Drum measures 6 ¾ inches in diameter and 4 inches tall. The Eli's Small Drum has item number 654933 printed on its hangtag and packaging. The Liberty's Large Drum has item number 654934 printed on its hangtag and packaging. The drums are packaged and sold separately. May 17, 2007	07-187	Mervyns	Little Girls Capri Pants with Snap Roll Cuff	228,000	The buttons inside the waistband of the pants can detach, posing a choking hazard to young children.	The recalled pants are Ellemenno brand Capri pants sold in girls' sizes 4, 5, 6, 6X, 7 and 8. The pants were sold in a variety of colors including light grey, tan, coral and light aqua blue. The pants are made of 100% cotton poplin and have a snap at the cuff, the waist band and on the pockets of the pants. Inside of the waistband are two clear buttons and a strip of enclosed elastic for adjusting the fit of the pants. "VN 69047" is printed on the product care label located inside the waist of the pants.	Mervyns stores nationwide	December 2006 - April 2007	800-637-8967
May 15, 2007	07-188	Spandrel Sales and Marketing Inc.	Children's Necklaces, Bracelets and Rings	200,000	The recalled jewelry contains high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects.	The recalled jewelry includes pendants that hang from silver-colored bracelet and necklace chains, and silver-colored rings with a charm on top. Charm shapes include silver-colored crosses, suns, moons, stars, butterflies, cupids, angels, keys, elephants, hands, cell phones, fish, and shoes.	Vending machines located in malls, discount, department and grocery stores nationwide	February 2007 - March 2007	877-213-0500
May 10, 2007	07-186	Evenflo Company Inc.	Evenflo Embrace™ Infant Car Seat/Carriers	450,000	When used as an infant carrier, the handle can unexpectedly release, causing the seat to rotate forward. When this happens, an infant inside the carrier can fall to the ground and suffer serious injuries	The recall involves Evenflo Embrace™ Infant Car Seat/Carriers made before April 8, 2006. The recalled car seat/carriers have model numbers beginning with 317, 320, 397, 398, 540, 548, 549, 550, 556, 597, 598 or 599. The model number and production date information can be found on a white label on the bottom of the carrier and on the top of the convenience base. Models beginning with "5" are units sold with the travel system (compatible stroller). "Evenflo" is on the carrying handle and car seat base. Embrace™ infant car seat/carriers made on or after April 8, 2006 are not included in this recall.	Department and juvenile products stores nationwide	December 2004 - September 2006	800-490-7497
May 9, 2007	07-183	L G Sourcing, Inc.	Halogen Table Lamps	97,000	These lamps can short circuit, posing a fire hazard.	The recalled table lamps have a plastic base and two extendable arms connecting the base to a halogen lamp. The lamps were sold in white, red, blue, orange and purple. Item number 101988 is printed on the bottom of the lamp base.	Lowe's retail outlets nationwide	April 2006 - March 2007	866-284-9162
May 8, 2007	07-182	Pier 1 Imports	Orange/Red Glassware Pieces	180,000	The glassware can crack or break unexpectedly, posing a laceration hazard.	The recalled glassware pieces involve large and small tumblers, goblets and margaritas. The bottom half of the tumblers is red and the top half is orange. The bottom of the margaritas and the goblets is clear and the top is red and orange.	Pier 1 Imports stores nationwide	April 2007 catalog; January 2007-April 2007	800-245-4595

May 3, 2007	07-178	Battat Inc	Record-A-Voice Toy Cell Phones	14,000	The metal pin inside the hinge of the cell phone flip-top can fall out, posing a choking hazard to young children.	The toy cell phone plays different songs, sound effects and user recorded messages. They were sold in polka dot, swirl, floral and stripe patterns, and the Parents® logo is visible inside the flip-top and on the battery compartment cover. Only items bearing date codes 090106 through 101206 are involved in this recall. The date code can be located on the bottom of the product packaging and in the battery compartment.	Target stores nationwide	September 2006 - January 2007	800-247-6144
May 3, 2007	07-179	Small World Toys	IQ Preschool™ Take-Apart Townhouse	8,800	Small magnets used to connect the wooden pieces to the sides of the townhouse can fall out. Magnets found by young children can be swallowed or aspirated. If more than one magnet is swallowed, the magnets can attract each other and cause intestinal perforations or blockages, which can be fatal.	These wooden toys, for children ages "18+ months," are shaped like houses measuring 8.5 inches high by about 4.5 inches wide. They have nine pieces that children can disassemble and reassemble. Each house has a green chimney and a blue and yellow striped pillar with a purple base at each corner. The sides of the house have four removable panels of different shapes with red knobs that children use to pull the panels off. "IQ Preschool™" appears on the side of the house below the blue and green rectangular panel. Model number 2408808 appears on the packaging.	Toy stores and various other retailers nationwide	December 2004 - February 2007	800-421-4153
May 2, 2007	07-171	Payless ShoeSource, Inc.	Children's Airwalk(r) Compel Shoes	690,000	Plastic rivets used to attach the strap to the shoe can detach, posing a choking hazard to young children	This recall involves Airwalk(r) Compel clog shoes sold in prewalk sizes 3 through toddler size 10. The flexible shoes have air ventilation holes on the top and side and plastic rivets with the Airwalk(r) logo attached to the strap. Airwalk(r) and the shoe size are printed on the sole of the shoe. No other sizes, styles or models are included in this recall.	Payless ShoeSource and Pamida stores nationwide and Payless.com	August 2007 - early April 2007	
May 2, 2007	07-172	Oriental Trading Company Inc.	Children's Religious Fish Necklaces	132,000	The recalled children's necklaces contain high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects	The recalled necklaces have a silver fish pendant that hangs from a black cord.	Oriental Trading Company Inc. Web site and catalog	January 2007 - January 2007	800-723-6155
May 2, 2007	07-173	HaPe International Ltd.	Anima - Bamboo Collection Games	5,000	The toys in the bamboo game sets could contain lead paint, which is toxic if ingested by young children and can cause adverse health effects.	This recall involves Anima-Bamboo Collection Games. The games contain 38 bamboo pads, four ghosts, and one dice. The product's packaging is an orange box with the words "Anima" and "BAMBOO Collection Games" are printed on each side.	Target stores nationwide	December 2006 - April 2007	800-440-0680

May 2, 2007	07-174	Cardinal Distributing Co. Inc.	Children's Rings with Dice or Horseshoes	200	The rings contain high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects. These rings were subject to the July 2004 recall of 150 million pieces of children's metal jewelry. The firm placed the recalled rings that it had pulled from stores back into circulation.	The recalled rings are silver with either dice or horseshoes on top. The numbers on some of the dice are painted in various colors, others are not painted. The horseshoes have either pink and green or purple and yellow painted polka dots.	Vending machines located in malls, discount, department and grocery stores in the Baltimore, Maryland area	August 2004 - March 2007	800-368-2062
May 2, 2007	07-176	Graco Children's Products Inc.	Soft Blocks Tower Toys (on Graco(r) Baby Einstein® discover and play(tm) Activity Centers)	40,000	The plastic covering on the soft block towers can detach, posing a choking hazard to infants.	The soft block tower is a stack of three different shaped stuffed fabric blocks in red, yellow and blue. Pictures of apples, fire engines, ducks, bananas, birds and blueberries on the blocks are covered in plastic film. The soft blocks are one of nine toys that snap onto the tray of the activity center. Only model number 4635BEE with serial numbers 012705 through 063005, which indicates the manufacture dates of January 27, 2005 through June 30, 2005, are included in this recall. Model and serial numbers are located underneath the activity center's tray.	Army & Air Force Exchange Service (AAFES), Babies "R" Us, Toys "R" Us, Meijer, Shopko, Target, and various specialty retailers nationwide, and on Wal-Mart.com and Target.com	February 2005 - December 2005	800-345-4109
April 26, 2007	07-168	Holmes	Holmes(r) Oil-Filled Electric Heaters	300,000	A poor electrical connection within the heater can lead to overheating. This poses fire and thermal burn hazards.	Description: The recall involves Holmes oil-filled electric heaters with model number HOH2505 and HOH2520. The model number and "Holmes(r)" are printed on the side of the unit near the bottom.	Discount department stores, hardware stores and other reta	September 2005 - February 2007	800-306-2471
April 19, 2007	07-164	Mega Brands America, Inc.	Magnetix Magnetic Building Sets	4 million	If a child swallows more than one tiny powerful magnet detached from the plastic building pieces or one such magnet and a metallic object, the objects can attract to each other inside the intestines and cause perforations and/or blockage, which can be fatal, if not treated immediately.	These older sets, which were manufactured in China, contain up to 250 plastic building pieces and 1/2-inch diameter steel balls. The building pieces include 1 1/2-inch squares, 1-inch triangles, cylinder rods, flexors, connectors, x-tenders, and curves and come in an assortment of colors such as metallic, primary, translucent, and glow in the dark.	Nationwide	Since March 31, 2006	800-779-7122
April 18, 2007	07-162	Oeuf LLC	Infant Bouncer Seats	1,400	The tubular metal frame can break, posing a fall hazard to infants in the seat.	This recall involves Oeuf infant bouncer seats with padded canvas supported by a tubular steel frame. The canvas seat is brown with white, blue or pink stripes. A three-point safety belt is attached to the canvas. Model number 2005 is printed on the label.	Juvenile specialty stores and Web retailers nationwide	September 2006 - March 2007	800-691-8810
