

To Whom It May Concern:

Louie Delaware and Colorado Childproofers did a fabulous job making our new home safe for a mischievous toddler and her newborn brother. From the baby gates that didn't put holes in our railings to the latches on the kitchen drawers, everything was done perfectly.

Louie was a joy to work with. He didn't stop until the job was done- and that meant working well into the night! Louie was also able to come up with creative solutions to some of our more unique challenges- like attaching a gate to keep our kids from falling down the six stairs that lead to our swing set in the backyard!

I'd recommend Louie & Colorado Childproofers to anyone who wants to provide a safe environment for their family.
